## Leadership Tangipahoa Alumni Committee

Leadership Tangipahoa has formed an Alumni Committee. Our first meeting was held July 9 at the Hammond Chamber of Commerce Office. Our goal is to continue a kinship with our fellow members to further economic, social and educational goals of Tangipahoa Parish.

Along with the proposed activities listed below, the Alumni Committee is planning to develop a Leadership Directory introducing our new graduates (pictures with a brief resumes) and listing past graduates, the company or organization they currently belong to with addresses, contact phone numbers and e-mail addresses.

### **Proposed quarterly activities:**

**Fall - Leadership Revisited** - beginning at 12 noon with a light lunch, we will have a local or government speaker . . . . .

**Winter Christmas Party** - An informal gathering in which everyone brings a prepared food, beverage or dessert. We will renew friendships and reminisce about our classes, exchange referrals, discuss our parish, . . . . .

**Spring Barbeque** - Meet the new graduating class members. Bring a significant other, or a guest who may be interested in joining our organization or a sponsor. There will be a small fee of \$15 for your guest. An Alumnus fee of \$25.00 includes your yearly membership dues!

**Summer** - Welcome the new class at an informal gathering with wine and hors d'oeuvres.

Do you have additional activity ideas?
